From the Rear Commodore

WFSC Cinco De Mayo Social on May 3rd. O.k., o.k., it's not technically the 5th.. but what we really want is to just have a great time visiting with all the club members! Hanging out, talking about the dinghy fleet (take that however you wish!) and just about anything to do with sailing!

Date: 3 May 2014, WFSC Clubhouse, \$5.00 per person

Menu: Mexican Fare of all kinds!! We will have homemade chili cheese enchiladas and chocolate sheet cake from the kitchen at First Presbyterian Church. Hopefully rice and beans from Larry Alhorn and Monarch catering and of course Chips & Salsa

Drinks: Club will provide water/sodas but everyone is invited to bring their own Mexican beer (Tecate, Modelo, Dos Equis, Corona), Margaritas or byob.

RSVP: 30 Apr, Dave Johnson at david@mesabizmachines.com, or Steve Priester at 781-7016.

Harbor Master & Fleet Chairman “Ramblings”

We had an excellent Fleeting meeting on the 17th with 19 attendees! Thanks to everyone who came out. We are looking for things to do and share at the clubhouse to share some good times even if we can't sail all the time. If you have some ideas please share with one of the board members and let's have some fun this summer.

With the water as low as it is, we are trying to have a Dinghy fleet for this summer. Many members are looking for small boats, if you have one or know of one for sale please let us know.

The Store room is a great place for your items that you don't want to take back and forth. Please feel free to use it, but please keep it as organized and clean as possible.

BOATS FOR SALE

- J/24 , #1929, very updated , always dry sailed, w/great trailer & motor. \$8750.00 Contact Steve Priester at -940-781-7016

- 1976 Force 5, \$1100.00. This 13' 10" two person racer, very similar to a Laser, is designed for single handed racing and fast recreational sailing. Weighs 145 lbs. It's in good condition with original mahogany dagger board and coaming; the rudder has been remade and coated in fiberglass. Comes with two main sails... one is a factory sleeved original, designed to slip over the mast and the other a custom made sail with two sets of reefing points designed to be hoisted with a halyard. All the deck hardware has been replaced with Harken blocks and the boom includes a downhaul.

The Dilly trailer is hinged such that the boat can be launched into the water without the tires even getting wet... great for launching from a beach! Contact Steve Chase at mkgsvcs@gmail.com

- 1974 Balboa 26, \$2650.00. Swing keel sailboat with a 9.9 HP Johnson outboard motor and a tandem axle E-Z Loader trailer. Sails include two mainsails, 150 genoa, 180 genoa, working jib and storm jib. Overall, the boat is in good condition for its age and has seen its share of repair and restoration. All cabin teak is in excellent condition as is all the upholstery. The Balboa is sitting on its trailer and except for dropping and securing the mast, it's ready for the road.
