COMMODORE'S CORNER

WFSC Members:

The 2015 sailing season will soon be here and I wanted to bring all the WFSC members up to speed with events preliminarily planned for the year. The WFSC board met Thursday night (2/19) and reviewed last year's races and events and formulated plans for the 2015 season.

The WFSC Clubhouse is in great shape, thanks to continued efforts of Bink Davidson and Winky Berkowski. We do need to finish painting the wood above the deck, so watch for a work day weekend announcement sometime in March. While we are at it, we are going to patch the road in a couple of places and spruce up the grounds. I would like to encourage everyone to come out in the next few weekends to get your boats ready for sailing with some polish and fine tuning.

Harbor Master Steve Priester has plans for the fleet meeting in April. We will sail and race the Sunfish fleet for sure. Rain permitting, we hope to get the Flying Scot fleet back in the water this year. (Everyone needs to pray for rain!)

If any one is looking for a Sunfish to sail this summer, let me know and we can all try to find one for you. The Sunfish fleet is actually growing nicely with well over a

dozen boats, but the more the merrier! So try to come out and join us this summer.

Rear Commodore Steve Colley and I will be discussing the Kick Off the Sailing Season Party soon, with tentative plans for seafood and ribs on a Saturday night in mid April. Treasurer Glenn Tole reported that our bills are paid and the club is financially in the black.

The club is in good shape, but you may have some ideas in mind for new events or improvements. Give me or any of the board members a call if you can think of any good ideas that might enhance the WFSC experience.

The board will be meeting again soon to finalize the plans so give us a call if you would like to add any events to this year's calendar!

See you at the Club!

Commodore Bill

THE NEXT WFSC BOARD MEETING

is scheduled for March 5, 7 p.m., at the Clubhouse. All members are welcome!

Lake Levels, as of February 17

Lake Arrowhead	19.2 %
Lake Kickapoo	28.4 %
Combined total	21.7 %
